WITHDRAWAL PROCESS

- Shareholders that have held shares for three years may request to withdraw their investment by submitting a completed share withdrawal form
- The company will maintain a list of members who wish to withdraw funds
- Withdrawals will be made in the order that requests are made
- At the AGM each year the Board will propose for approval an annual amount that it believes the business can afford to refund to shareholders taking account of the annual operating profit, the amount accrued for interest payments, new investments made in the year and capital development plans for the business.
